

# Triple Detectable Pen

THE ULTIMATE DETECTABLE WRITING EXPERIENCE.

## Highly visible ink indicators

Dominant top button and large window to identify ink cartridge colour.

## Positive retracting mechanism

Cartridge will not jump out of position no matter how much pressure is exerted on writing point.

## Unique cartridge suspension

Provide firm writing without wobbly cartridge point.

## Smooth finish

Comfortable to hold, retains grip, easy to clean.

## Long writing life

## Damp, greasy or sub-zero application?

RG-RPC Cold Store Pen uses pressurised ink cartridge to maintain optimum performance in harsh environments.

## Large lanyard loop

Intended for a real lanyard – not just a thread!

## Strong pocket clip

Designed as virtually unbreakable. No need to specify model without clip.

## Contoured for thumb and finger
