

This appendix is covered by Regulation (EU) No 10/2011 article 2 page 10 - link below

FBK hereby declares to comply with and maintain applicable food safety regulations.
FBK's production and manufacturing methods are based exclusively on the same raw materials and techniques in relation to the final product and have not changed.
FBK meets all requirements regarding products in the food and beverage industry that are in contact with food and takes action on regulations that require a change.

REGULATIONS

COMMISSION REGULATION (EU) 2020/1245 OF 2 SEPTEMBER 2020

Amending and correcting Regulation (EU) No 10/2011 on plastic materials and articles intended to come into contact with food.

Article 2

Plastic materials and articles complying with Regulation (EU) No 10/2011 as applicable before the entry into force of this Regulation, and which were first placed on the market before 23 March 2021 may continue to be placed on the market until 23 September 2022 and remain on the market until the exhaustion of stocks.
